## ABOUT Native Pet

Native Pet is a pet nutrition and wellness company that makes all-natural, highly effective, and limited ingredient pet supplements for dogs and cats. The products utilize whole food & superfood ingredients to harness the healing powers in nature and boost the health and well-being of our pets.

## PRODUCTS

**1. Probiotic for Dogs / \$29.99.** A powdered mix of probiotics and organic prebiotics that help promote good gut bacteria and address acute and chronic diarrhea. Super tasty and protein-packed, made with only 4 simple and effective ingredients. Vet-developed, nutritionist-approved.

**2. Hip + Joint Chews / \$24.99.** All-natural air-dried joint supplements for dogs. Clinically researched and innovative ingredients are anti-inflammatory and provide pain relief for dogs with arthritis. The supplement combines tasty air-dried chicken with highly effective natural ingredients.

**3. Organic Pumpkin Powder / \$19.99.**

Natural digestive aid for dogs and cats suffering from diarrhea and constipation. Air-dried, delicious, all-natural fiber supplement made with only 3 ingredients. Pour it over dry kibble, mix it into food or add water to create a delicious puree. Awesome alternative to a traditional can of pumpkin.
